Bleatings

By the OLD GOAT

IT'S IRONICAL!.... Soon after George Vierhus turned over the helm of The Press to us, we became involved in a City Council problem, the firing of Milton Hetzel, Campbell's first City Manager. We supported Ralph Doetsch as a write in candidate.

BECAUSE THIS column is being written before the City Council election returns... we have no way of knowing how "our recommendations" will have done. We shall not be surprised if a problem or two emerges as to our stand. As we stated in the beginning, "we would like to be able to call the shots as we see them". During our two and one half years of our "administration" we know that we have alienated a couple of "friendships". We cannot help but wonder what sort of friends we had to begin with.

GEORGE VIERHUS will be back "home" at the end of this month. He will once again take over the operation. We would like to thank our readers, advertisers and everyone we had the pleasure of discussing anything with during our tenure. While this may sound like a swan song, it really isn't. We don't even consider ourselves a "lame duck", cause we are going to be around for a while. While Vierhus is taking care of the editorial end of the business, we shall be worrying about the advertising and commercial printing department. In other words all will be almost the same as before George went south.

WE DID OUR best, and we include the entire staff. At times some may have felt that our best was not good enough. We knew this, but we really were in there pitching. We have always felt that the people of Campbell deserve the best. And our best was never too good. Again we sincerely thank each of our readers for the support. We ask that this continue. Give us the devil...disagree with us anytime you so desire. We shall all benefit.

SPEAKING OF BENEFIT...if you didn't catch our act, (Rex Jeffers, Tony Bonacorroso, Virginia Williamson, and we helped???), it was the benefit for Campbell Chamber of Commerce, we think! The Beatles will never be the same. We enjoyed being part of the program during the last Chamber of Commerce luncheon. But we must bow to Ira Kirkorian and Paul Landwehr for (Lulu Belle and Suzy). They stole the show. Shucks, we can't all be stars.

WE HAVE TWO dollars as a start. Anyone interested can add to it. The following letter from a reader

(Continued on page 4)

NEW TRUSTEE WELCOMED --Trustees of the Campbell Union School District welcome a newly-appointed member to their board, William A. Parton. President Eleanor Graham-Armstrong raps the gavel to conclude the swearing in ceremony, while Trustees John Merriell, Roy Howard and Howard Guilbert stand by.

William Parton appointed to CUSD Board

William A. Parton, 1380 Ridgeley Drive, Campbell, has been appointed a trustee of the Campbell Union School District Board, to fill out the unexpired term of past President Gregor MacGregor who moved to Clear Lake March 13. The term will run to June 30, 1967.

Parton, an insurance broker, said, "There is always room for improvement in education, and wherever this is true it will be improved, but I find the standard of education in this district is excellent."

Citizens request crosswalk

The newly constructed Virginia Park on Virginia Avenue between Rincon and Budd, has created a safety problem for youngsters in the area who persist in crossing the street without benefit of a crosswalk nearby. Two Campbell mothers, Mrs. Phyllis Williams and Mrs. Robert King, asked the City Council to install caution signs and a crosswalk at Century Drive near the Park.

The Park which is still under construction, is on the edge of the Virginia Avenue neighborhood. Rotary Club of Campbell has donated $1000 for playground equipment and many hours of their free time to help with the construction.

Jean Drive pools create new problems

City Manager Robert Stephens reported to the City Council Monday night that the Santa Clara Management Association, through its General Manager Perry Clark, is correcting the electrical violations at the Jean Drive Apartments. At the same time they are covering the swimming pools in the courtyards with plywood. Tenants in the apartments complained, however, that now that the warm weather is here, they would like to use the pools and to have a filtering system installed and protective fencing constructed. They indicated they are paying rent with the understanding that the pools would be available for their use.

Stephens told the Council that Trans Bay Federal Savings and Loan Association of San Francisco holds the deed of trust for the apartments. He said the property is expected to go into receivership in the near future, and at that time the court will appoint a manager who is legally responsible for the apartments.

Fire Marshall Gene Borden indicated corrections are being made in the electrical systems of the apartments but Councilman Henry Weitzel said there were many plumbing code violations such as the lack of safety releases on water heaters and improper ventilation in wash rooms. Stephens indicated the [illegible] pools might create an "attractive nuisance" with children in the apartments as they would be running and jumping on the pool covers, and accidents might occur.

Councilman Robert McElroy urged the tenants to keep the Council informed on the progress of the work being done, and said they would continue to press forward in this investigation.

Health Dept. employee is suicide

Carol Ruth Dugan, 24 year old County Health Department employee, shot herself through the heart last Friday afternoon in the rear hallway of the Campbell home of a nurse friend.

Miss Dugan, 181 Alexander Avenue, San Jose, had resided on Bland Avenue in Campbell for over a year. She had moved to the San Jose address only ten days ago. The victim was visiting at the home of Mrs. Joan Wildermann, 236 No. First St., a night nurse at the County Hospital. Mrs. Wildermann said she prepared coffee for Miss Dugan, then lay down for a short nap. She was awakened at about 1:30 p.m. by the report of a shot, and rushed in to find Miss Dugan slumped to the floor, a .22 caliber rifle cradled in one arm.

Mrs. Wildermann administered mouth-to-mouth resuscitation until an ambulance arrived. Miss Dugan died in surgery two hours later. She left a brief note asking that her body be willed to the University of California School of Medicine. Mrs. Wildermann reported to Police that Miss Dugan had been despondent lately and had come to visit her often to talk over her problems. The remains was shipped to Casper, Wyoming, where she is survived by her father, C.G. Dugan.

Tractor driver run over by his own disc

Richard Hennegan, 238 Erie Way, Apt. B, Campbell, is recovering at Campbell Community Hospital from injuries received when he was knocked from his tractor and run over by a trailing disc last week.

Hennegan, 21, was plowing the earth around some fruit trees in an orchard at Little Creek road and Gardenside Drive when the accident occured. Officer B.J. Collins of the San Jose Police Department said the driver was knocked out of his seat as his tractor moved under some low hanging branches.

Contractor fined

John B. Davis, formerly of 756 Hacienda, Campbell, a General Contractor, was fined $58.00 by Judge John Dempsey for violating the California Unemployment Insurance Code. Davis was charged with one count of violating Section 2110 California Unemployment Insurance Code for being financially unable to pay deductions from employees to the State. He

Editorial

Let's move again!

ED. NOTE: This column is being written before the City Council election. However, this issue of The Press will be delivered after the results are known.

In our mind, we feel that with the elections over with and the "new" council seated, a new Mayor and a "new" City Manager, Campbell should finally roll up its sleeves and get down to work.

During the past two years we changed City Managers twice, we are now on the third one. Many projects have been proposed; many opposed. Now that we have a "fresh" start Campbell should begin to move.

A few of the important problems, we think, that should be resolved are: The corporation yard; where should it be located and when to commence construction and how much is it to cost?

The future of East Campbell Avenue: what is to be done, who is to pay for it, and when and how soon does construction begin?

The updating of the master plan: do we want more apartments? Do we need to control the location? Or do we continue to allow the topsy turvy growth to continue?

What about Latimer Avenue and Rincon Avenue? Would the closing of these streets (West of Winchester) cause the choking of our business and would the traffic increase on W. Campbell Avenue be more than we anticipate?

We think the "new" council has its work cut out. These problems should be studied and decisions made. In our mind they are over due. Not to settle these questions before we go on will hamstring any major growth we must expect in the very near future. The handwriting is on the wall; we certainly hope this Council can read it. When opportunity knocks, we should be prepared.

ON CAPITOL HILL

with "Charlie" Gubser

Two weeks ago this column told of plans by the Johnson Administration and its leadership in the House to pass a food stamp bill and a combined wheat-cotton bill as a package deal. Since both proposals faced probable defeat if considered individually, their backers formed what has become known as the "unholy alliance" of northern liberal Democrats and Southerners. The liberals insisted that the food stamp bill should be passed first, after which they would support the southern cotton bill.

Apparently the alliance was so "unholy" that it couldn't last overnight so the Democratic leadership insisted on a past midnight session to complete action on both bills in the same day. In utter disregard of a minority's right to debate and dissent, they allowed no amendments to the wheat-cotton bill and at one point limited Republicans to fifteen seconds in which to speak on the food stamp bill. As one Member put it, "We had less right to dissent that Wednesday evening than a member of the Supreme Soviet in Moscow."

Despite these well-devised tactics, the plan would have failed except for a tortured interpretation of a special privilege which had been granted the Speaker in connection with General MacArthur's funeral.

On the previous day (Tuesday) a casual unanimous consent request had been granted for the Speaker to call a recess "anytime on Wednesday or Thursday". Though it was not specified, the purpose of the recess was to allow participation in the ceremonies during which the body of General MacArthur would be brought to the Capitol on Wednesday and retired on Thursday. Many felt that proper respect for the General's memory called for adjournment but the leadership insisted otherwise. So, the Speaker used his authority and called a recess on Wednesday.

Later in the evening opponents of the "alliance", irked at railroad tactics and with their backs to the wall, demanded an engrossed or corrected copy of the bill. This would delay a vote for at least two hours. This presented Speaker McCormack with the alternatives of either starting debate of the wheat-cotton bill which could only consume one hour, or recessing the House until the engrossed bill was returned from the printer. Northern liberals would have no part of voting on the wheat-cotton bill until the food stamp bill was safely in the bag. So the Speaker applied a tortured interpretation of the unanimous consent request and recessed the House under the authority which had been granted because of General MacArthur's funeral.

Before the evening was over, much was to happen. Three major programs are practically law, not a one of which would stand on its own merits. The rights of a minority were suppressed in defiance of American tradition. And the Speaker of the House who has always stood as a bipartisan symbol to the entire membership lost the respect of a minority. For the first time in a century a Speaker was roundly booed for his ruthless and unfair tactics.

The "unholy alliance" won a battle. But the casualty list isn't in yet.

Warming thought:

Nowadays it costs you less for heat because your PG & E rates have gone down

Nearly everything has gone up in price these days . . . except your PG&E rates. They have gone down lately. As a matter of fact, the typical PG&E household customer pays less today than 30 years ago for the same amount of gas and electricity. But count the things around your home that gas and electricity are doing for you and your family today. You are using 3 times as much as they did 30 years ago. So naturally, though the unit price is lower, your bill is bigger. Any way you look at it, you live better for less because PG&E service is a bigger bargain than ever.

explains the idea of the fund. We will hold the money for thirty days. If after that time no interested citizens pick up the idea and the two bucks, we shall do as the man asked; turn the dough over to the Little League. But with the letter writer's permission, we would suggest that someone take the two dollars and begin a fund for the people of Alaska. Any volunteers to take on the Treasurer's job?

Dear Joe:

Here is $2.00 to start a public fund to save Teddy's Tree.

Here is hoping it can be relocated on Campbell High School property.

If no fund can be started, please donate $2.00 to the Campbell Little League.

Bridge and fashions at Montalvo on April 17

The various activities at the Villa Montalvo cultural center are in charge of volunteer committees of dedicated people, one such group being the Gallery Committee, which not only stages the monthly art shows, but also raises funds by various benefit functions for maintenance of the galleries.

On Friday, April 17 the annual benefit dessert bridge and informal fashion show will be held, with luncheon at 1 o'clock, during which models will show spring and summer fashions. This will be followed by bridge or other cards of choice.

Reservations may be made up to April 14 to Mrs. Charles H. Smith, chairman, by phone to Saratoga 867-3578.

Door prizes will be potted plants and original paintings by members of the Montalvo Gallery committee, all of whom are professional artists. They are serving with Mrs. Smith on the luncheon committee, and include:

Mesdames R.J. Anninger, John E. Denney, E.K. Baloun, Charles M. Hayes, A.D. Houston, Ralph M. Metcalf, Harry Pfeifer, Walter Powers Jr., Maurice R. Tripp, Louis Mendelsohn, and Miss Mary Moss, of Saratoga;

Miss Mildred Kaucher, chairman of the Gallery Committee: Dr. Dorothy Kaucher, Mmes. R.E. Benoit, George Brent, Everett E. Pomeroy, of Los Gatos; Mmes. C. Harrison, Ormal Dodd, San Jose; and Mrs. J. C. Vincent, Campbell.

During the past 14 months, the committee raised a total of $2081.52, including last year's dessert bridge. Largest single expenditure was $916 to modernize Central Gallery, installing new inverted ceiling lights, and acquiring attractive mobile screens on which to hang the paintings which are on exhibition.

WVJC moves to alter Campbell Grammar School

Architect's final plans for alterations to Campbell elementary school for use as West Valley Junior College is temporary quarters were approved by the college trustees last night. The cost of alterations is estimated at $192,455.

Commented Bruce F. Allen, board chairman, "The amount we're investing here is small, compared to the tuition payments we're saving by having our own facilities."

Allen received reassurance from Root that the plans include repainting of building interiors to provide a new atmosphere for the students.

Moving to obtain off-street parking for the Campbell campus, trustees appointed Emerson Owen to appraise the lease-value of two nearby parcels of land which could accommodate approximately 1,700 cars.

COMPLETES TRAINING

Marine Private Del E. Morgan, son of Mr. and Mrs. Bernard D. Morgan of 257 Coventry Dr., Campbell, completed recruit training March 25 at the Marine Corps Recruit Depot, San Diego, Calif.

Following graduation, he will report to Camp Pendleton, Calif., for advanced infantry training.

United Fund distributes $977,365

Brian H. Fottrell, Pacific Telephone & Telegraph Co. division manager, and president of the Central Area Chapter United Fund, has announced that $977,365 has been earmarked for 1964 distribution to 46 youth, health and welfare agencies serving Campbell and ten mid-county cities.

The thirty committee members who worked on four separate panels under the general chairmanship of James M. Clark, General Electric Atomic Power Equipment Department, held numerous meetings over a period of two months to determine the most effective distribution of these funds.

Central Area allocations amount to $92,137 more than the chapter received last year. "Generous support of the public during the 1963 UF campaign makes this increase possible", George M. Szudy, executive director explains. "However, continuing population growth, coupled with more demands for community services, keep us hard pressed to meet the pace", Szudy said.

Of the $977,365 allocated to the Central Area Chapter, $737,734 was apportioned to the Chapter's 40 local youth, health and welfare agencies. Six national agencies, such as Red Cross, American Social Health Association, and USO, were given a total of $239,631.

A new Campbell High tradition

The lettermen's club of Campbell High School, the Block 'C', presented the second annual awards Banquet on March 18, at the High School.

Only students were present at this "semi-banquet" where letters of athletic accomplishment were presented to members of the winter sports season.

The Awards banquet does not alter the plans of the long standing "Sports Banquet" but only accents the tradition of lettering at Campbell.

Among this group of Campbell athletes were a Championship "B" Basketball team and a Championship Wrestling team. Speakers for this occasion were Coach Bert Robinson, Rod MacDermott and Coach Richard Halvorsen, coaches of the Varsity basketball, wrestling and "B" basketball teams respectively.

This Awards Banquet was initiated by the Block 'C' with Gary Tolbert standing as president. It is the wish of all of those concerned with sports at Campbell that this Awards Banquet become a continuing tradition at Campbell High.

Good Samaritan dissolves center

The Good Samaritan Hospital of Santa Clara Valley, non-profit community hospital going up on the outskirts of Campbell, this week received $1,226.02, following the dissolution of the Children's Hospital and Health Center corporation.

The board voted to dissolve the corporation after it was determined that the move to build a separate children's hospital is premature in the development of Santa Clara County. The presentation was made by Mrs. Helen D. White, Campbell nurse who was secretary of the group, Dr. Ivan Neubauer, and Mark Thomas Jr., attorney.

Culmination meeting of Parent - Discussion Groups April 16

The Culmination Meeting of the Parent Discussion Groups will be held Thursday, April 16 at 8:00 p.m. in the Campbell High School Cafeteria. The speaker will be Dr. Henry McDaniel of Stanford University, who will speak on "The Teen-Ager and His Future". Also featured at the meeting will be reports and recommendations from each of the 29 Parent Discussion Groups which have been meeting regularly to discuss "Home School Co-operation Benefits Your Teen-Ager" during the past winter.

These Parent Discussion Groups or neighborhood forums as they are commonly called, have been an important part of the parent-school program of the Campbell High School District for the past 8 years, and during that time thousands of parents of high school students have participated in small neighborhood meetings informally organized with parent leadership, meeting in homes of group members and drawing on school personnel as consultants.

Recommendations and suggestions which are made by Parent Discussion Groups are given serious consideration by the District Superintendent, who will discuss all recommendations with Discussion Group Leaders on April 30 at 7:45 p.m. in the District Office Annex.

All Discussion Group members are urged to attend the Culmination Meeting. Parents of 8th Grade students who will be entering high school in the coming year should be particularly interested in this meeting.

Library offers new service

Beginning immediately the Campbell Library is offering a new film information service to all citizens of this community. For those interested in the content of current movies the Campbell Library will have THE GREEN SHEET, a widely recognized movie review service containing the composit reviews of ten prominent national organizations.

In addition to the reviews, THE GREEN SHEET suggests suitable audiences. These range from General Audience (GA) to Adult (A), including special categories for Young People (YP) and Mature Young People (MYP). Occasionally when a film is suitable for young children, it is labeled with a special children's rating (C).

Mrs. Beverly Booth, Librarian, states, "Our library will not only have THE GREEN SHEET as an easily available source of film information, we will also be happy to answer queries from parents interested in obtaining this information in order to decide whether or not certain films are suitable for the young people in their families. We agree that thoughtful selection of motion pictures is one way to be sure that a movie will always be a pleasurable experience."

Confused driver takes wrong lane on freeway

Philip Merrill Hess, 53, of 1220 North Bascom Avenue, was arrested by Campbell Police for driving north in a southbound lane of the Route 17 Freeway near Moorpark Avenue last Thursday night. Officer Larry Newland followed Hess south of Moorpark Avenue after being alerted by nervous drivers in the area.

An off-duty Deputy County Sheriff had stopped Hess while Officer Newland jumped the Freeway fence to contact the driver. Six police cars had converged on the driver who asked officers "What's going on?" He was taken to County Jail where he was booked for drunken driving.

Baby beaten; young mother is arrested

A 21-year old Campbell housewife was booked at County Jail last Thursday on a charge of felony child beating. Bail was set at $826 for Mrs. Patricia Carole Maroon of 888 Sobrato Drive. Victim of the alleged maltreatment was one of the young mother's twins, James David, 19 months old, who is reported in fair condition at County Hospital.

The incident was brought to light when the baby's father, Arthur Maroon, 22, carried it to a neighbor and asked whether she thought the child should have medical attention.

"The baby's head was so swollen it looked like a melon," said Mrs. Melba McCord.

WAGON WHEEL

Mr. and Mrs. Al Yeager of 33 So. Milton Avenue feel sure somebody is getting ready for Campbell's Old Settlers Days because a decorative wagon wheel is missing from their front yard. Mrs. Yeager reported the wheel missing since last Saturday night from her garden.

April 17 is deadline to enter parade

Plans for the second annual Children's Parade to be held on Saturday, May 16 at 10 a.m. in connection with the 72nd annual Old Settlers' Day celebration are almost complete, according to Jerry Fitzsimmons, chairman. The selection of a grand marshall for the parade yet remains, but two well-known entertainment figures have indicated that they were interested in appearing with the children.

Entries for the parade will close April 17, and those planning on entering are urged to call the Campbell Chamber of Commerce office, 378-6252 or Mrs. Betty Yeager, 378-4189 before the deadline. A story book theme is being carried out throughout the parade with many Mother Goose characters already entered. Trophies will be awarded on a competitive basis with the emphasis on originality and neatness. The smaller children will be placed at the front of the parade, which will form at the Campbell Grammar school and end at the Campbell City Park. Participation ribbons will be awarded to all entries.

Branch Rickey to speak at San Jose State

Baseball executive Dr. Branch Rickey, the man who broke baseball's "color line" by signing Jackie Robinson, will speak on "How Does Inter-collegiate Sport Fit into a Definition of Education?" at San Jose State College in the Men's Gymnasium, April 17, at 12:30 p.m.

During his lengthy career in sports, Dr. Rickey has been a teacher, professional baseball and football player, college coach, lawyer, and a major league manager and executive. After entering the major leagues as a catcher with the Cincinnati Reds in 1904, Dr. Rickey also played for the St. Louis Browns and the New York Yankees.

Open to the public at no charge, the lecture is sponsored by the college lecture committee and the Men's Physical Education Department.

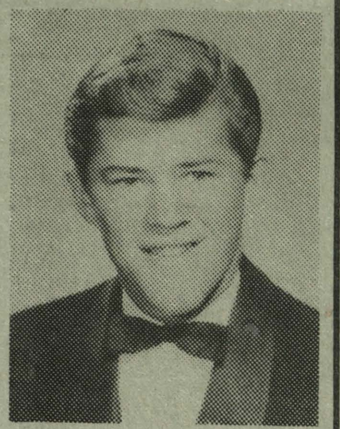
Bucs, Braves: undefeated

In the first week of WVAL baseball league play both Campbell High and Blackford High hold undefeated records. Campbell is in first place with a 2 and 0 record while Blackford occupies second place with a one win and no loss record.

Campbell's first win was a 3 to 1 victory over the Los Gatos Wildcats. Spurred by the clutch hitting of Randy Knight and Pat Hartigan along with 4-hit pitching by Murray Hall, Campbell overcame the equally fine pitching of Los Gatos' Bob McArthur. The second league game for Campbell saw the Bucs victorious over hard-luck Saratoga.

Blackford found an opening season bye, but used their first game to produce a fine start to what will be a hard fight for the League Championship.

Lefty--outfielders



RANDY KNIGHT

RON WILSON

Randy Knight, son of Mr. and Mrs. Russell Knight, 13 So. Virginia Ave., is the other left-handed left fielder for the Campbell High Varsity Baseball team. Randy has spent most of his 17 years in Campbell and as a senior feels that the city and school are "the greatest."

In Randy's four years at Campbell he has participated in B and Varsity Football, B and Varsity Basketball and Frosh-Soph and Varsity Baseball. A returning Varsity letterman in baseball, Randy is expected to greatly help the Bucs.

Included in his likes are "the sports that are in season and a little girl with the initials D.K." About this coming baseball season, Randy Knight feels "if everyone works as a team this could be the best baseball season Campbell has ever had."

Ron Wilson, son of Mr. and Mrs. Glen Wilson, is one of the two left-handed outfielders for the Campbell High Varsity Baseball team. A senior, Ron made last year's all-league baseball team as center-fielder and has the potential of being the best defensive outfielder in this area.

Ron has also played B football where he made the all-league selection for this sport.

When asked about Campbell High, Ronny said, "It's the greatest in the valley but the school spirit has gone down and it's getting worse every year."

Ron Wilson hopes to go to San Jose State where he will major in Physical Education. As most high school athletes he would also like to compete in college level sports.

About this coming season, Ron feels, "we might go undefeated* but it's still early and we have to keep pulling all of the way."

*Ed. note: Campbell's 3 - 2 loss to Willow Glen now makes this impossible.
